

ONGEA Referral Program

Sep 2011 - March 2012

1 - ONGEA will continue offering the 2-for-1 membership in which any new or renewing E6 and above, retiree, associate, or life member can sponsor an E5 and below for a free one-year membership. The E5 and below can also be either a new or renewing member in the association.

2 - **ONGEA Referral Program** - The 2012 EANGUS Annual Conference will be held in Long Beach, California, from August 26th-30th 2012. ONGEA has decided to send both the top Army Guardsman and Air Guardsman, who can refer the most members to the enlisted association by March 31st 2012. The paid trip will include airfare, lodging, and the respective registration fee.

- To qualify, you must refer at least 25 new or renewing airmen/soldiers into ONGEA during the set time-frame above. For example, if you get an E6 or above to sponsor someone, that would equal TWO memberships into the association that are counted for the referral.

- In addition, for every 25 new or renewing members that you refer to ONGEA, you will receive a check for \$50.00. Checks will be dispersed at the end of December and March.

- To get credit for the referral, you simply need to put your name at the top of the membership form. If your name is not at the top, then the referral will not be counted.

- If you would like to attend an Ohio National Guard event to solicit memberships with our soldiers and airmen, feel free to contact your area directors to assist in getting a table top display and/or any other necessary material. ONGEA will even pay your mileage to and from the Ohio National Guard event.

- ONGEA Executive Board members will not be eligible for this referral program.

As of today, our enlisted association membership is at 1125 members. We have an available enlisted strength in Ohio of over 13,000 soldiers and airmen – this does not even count our retired members! For us to have an effective voice on legislative issues, we need a large membership. This is your opportunity to get people into the association and for us to give you something back for your efforts. Thank you for all that you do in supporting the enlisted association!
