Communications Assistance

-Communications Focal Point located in Building 164, Room 200, 696-6411

-Your unit IA Officer listed below

-Network Incident Reporting Aids located near every computer workstation on base

Unit Information Assurance Officers (IAO)

Each Squadron has an individual IAO, Contact your Squadron appropriate contact.

What if your system was infected with a virus or involved in a Classified Message Incident (CMI) -- What do you do?

1. Disconnect the system from the network.
2. Do NOT power off the system.
3. Do NOT delete the suspicious email or file.
4. Contact your unit IAO.
5. If unable to reach your unit IAO, contact the 179th Communications Focal Point (CFP) at 696-6411
6. For more information refer to your Network Incident Reporting Aid

!!!ALWAYS REPORT CMI's VIA SECURE MEANS!!!
